Brand New Massage Services

Traditional Thai Massage: The result of a full-body traditional massage session is often an exciting and powerful mind/body experience, bringing both the recipient and the practitioner to greater states of mental well-being.

Swedish Relaxation Massage: A classic form of massage designed to ease muscle aches, tension and release the stress of everyday life; while increasing circulation, helping remove toxins and improve muscle tone. Swedish massage is a full body massage that is both relaxing and therapeutic.

Sports Massage: This invigorating massage is excellent for easing intense tiredness, muscle pains and post exercise stress. Deep tissue kneading, muscle manipulation and stretching techniques are applied to release body tension and stress.
